

ALPHA

drives like a car, sleeps like a camper

Enjoy an unforgettable holiday in an Award Winning Custom-Designed Spaceship.

Spaceships Alpha is our budget model. It is great to drive, has good fuel economy and is packed full of features. It contains all the essential travelling equipment including a dual burner cooker, fridge/freezer, full size double bed with an extendable sleeping option under an awning, water supply, air conditioning and a stereo. Just the fact that you are driving a good car has its own cost savings and advantages in comparison with bulky campervans and motorhomes.

Like a good car to drive:

Fun, safe and easy to drive
Automatic transmission

Compact, versatile and comfortable
Easy to drive and park

More fuel efficient than larger campervans

With more useful features than a campervan:

- **Large double bed** (use it fully inside or extended out the back for good ventilation and **30% more space**)
- **Self-Charging Dual Battery System** – with up to 24 hours battery life so you don't need powered camps each night.
- Large **Lockable Storage Space**.
- Extra room in the rear cabin.

Advantages of travelling in a Alpha Spaceship:

- **No one way fees.**
- **Lower fuel costs** because of vehicle size.
- **Free 24/7 pick up/drop off** all locations.
- **Free airport to depot transfers** for bookings over 21 days.
- Enjoy the **freedom and flexibility** of driving a cost-effective vehicle with the option of either staying in a hotel or at a campsite.
- There is no need for powered sites as Spaceships' second battery self-charges as you drive giving you **more freedom and saving you money.**
- **Better sleeping environment** with larger comfortable bed and insect-proof vented windows for air circulation.
